The 1973 Hoofprints staff would like to dedicate this annual to Mrs. Donna Van Eaton. She put up with antics in the lunchroom, continuous questions, and kidding from students. Still she remained a constant source of information and fun for the Eastern Heights students.

Class sponsors perform a special task in the high school. Mr. Sid Bales and Mrs. Marialla Wiley, this year's senior class sponsors were no exception. Many activities filled the schedule for them as class sponsors. Old Settler's Day float building, the concessions at the ballgames and senior play practice were just a few of the many times that the seniors shared with their sponsors.

And so, To you, our sponsors, our friends - who have shared with us the riches of your experience, the value of education, your understanding and wisdom and your unfailing concern and encouragement . . . our sincere gratitude.

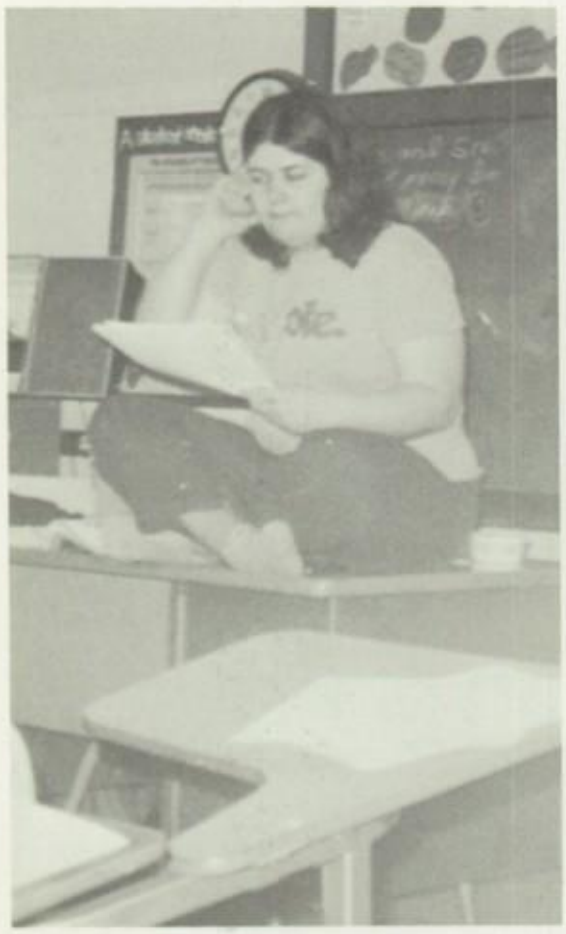
Studying Hard?

CLASSES

You must not know too much, or be too precise or scientific about birds and trees and flowers and watercraft; . . .

Walt Whitman

English Classes



Buddah?

Senior English. What is going on?

Who went to study hall?

Mark where are you?

Shop Classes

"A" joins "B" at point "C".

I wonder if that's right.

Alright who took it apart.

Women's Lib strikes again.

Home Economics Classes

Hey look at this!

I gotcha!

I think this is how it goes.

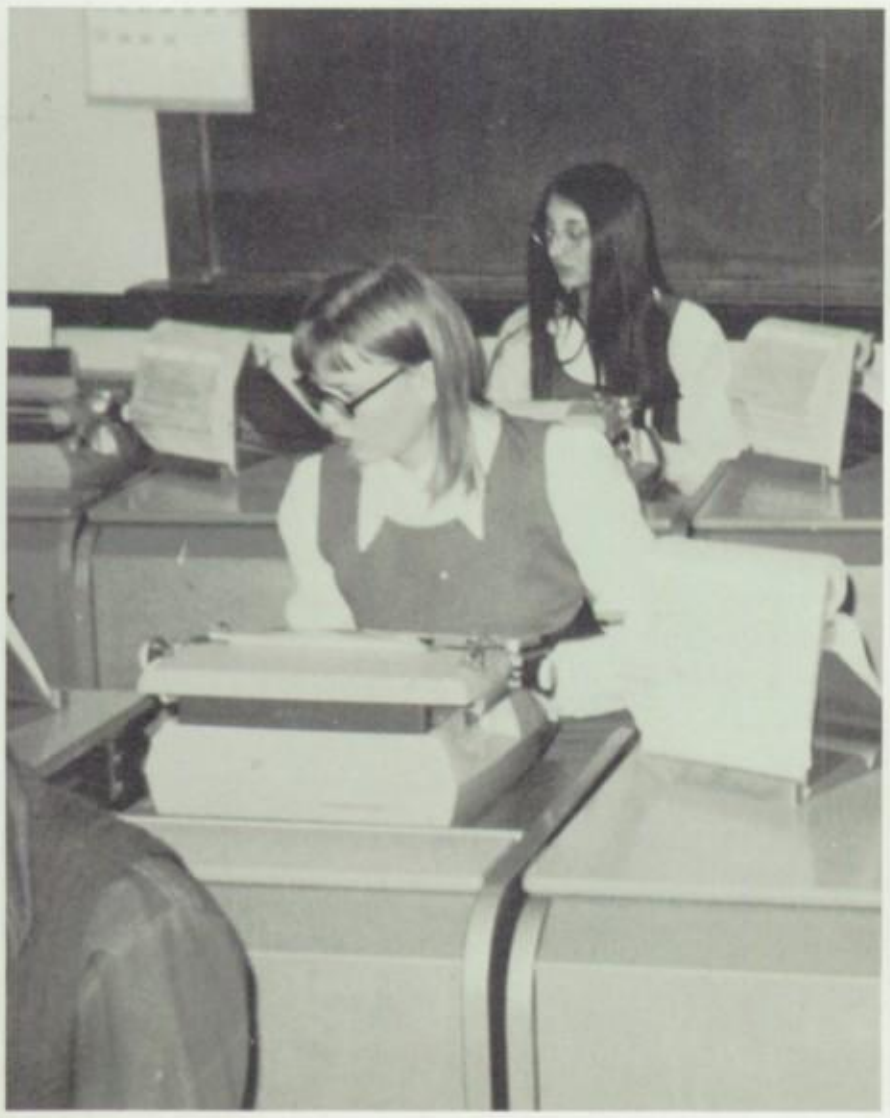
But I don't want it.

Senior Home Ec. gets new members.

Sophomore Classes

At least I have a 50-50 chance!

Typing happened every 7th hour.



Now where was I???

Can I help!!!

Physical Education

Freshman girls are seen keeping their bodies in shape? They try anyway.

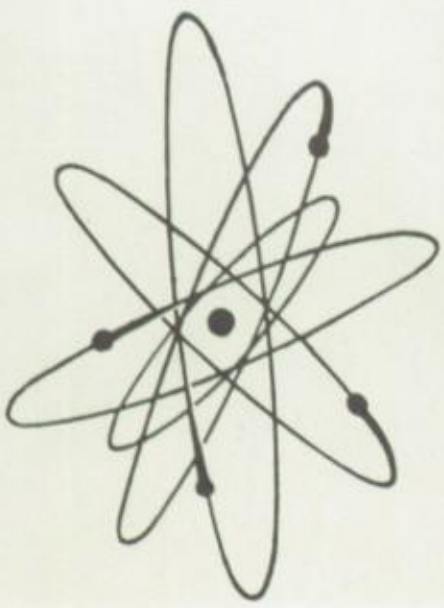
Dramatics

Believe it or not this isn't a sewing circle.

Mathematics

Geometry class learns the fundamentals of math, a + b + c= c + b + a.

Other math classes taught by Mr. Bales were General Math and Algebra I offered to Freshmen, Advanced Math and Algebra II offered to upperclassmen.



I know that 1+1=2, but this next one has me stumped.

Mustangs Post 6-2 Record

The season began for the Mustangs on August 17. Twenty-six eager players started the first day. After much hard work in the late summer heat, the Mustangs opened one of the best seasons ever at EH.

The Mustangs rolled over the year's first three opponents. Luray was defeated by a 36-20 score, Lucas by a 34-14 count, and Tipton was a shutout for the Heights griders, 20-0. Rough times were ahead in the next two outings as the Mustangs lost to Bogue 26-46 in what was considered by many, the most exciting game of the year, and Gorham routed the Mustang's 52-6. The Mustangs bounced back from that loss with a 20-0 shutout over Stamford, followed by a 36-12 Homecoming victory over McCracken, and a 66-15 bombing of Herndon. On the facing page are the Mustang starters and some individual statistics.

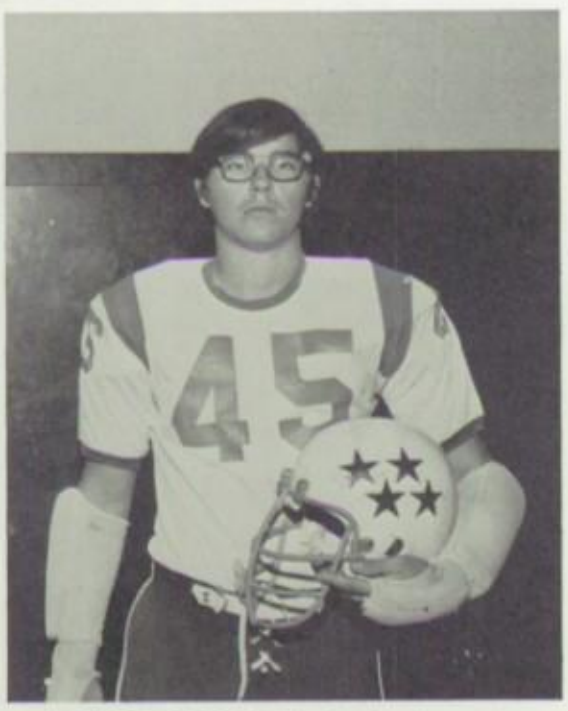
MIKE HOFT, Junior, 739 points, End.

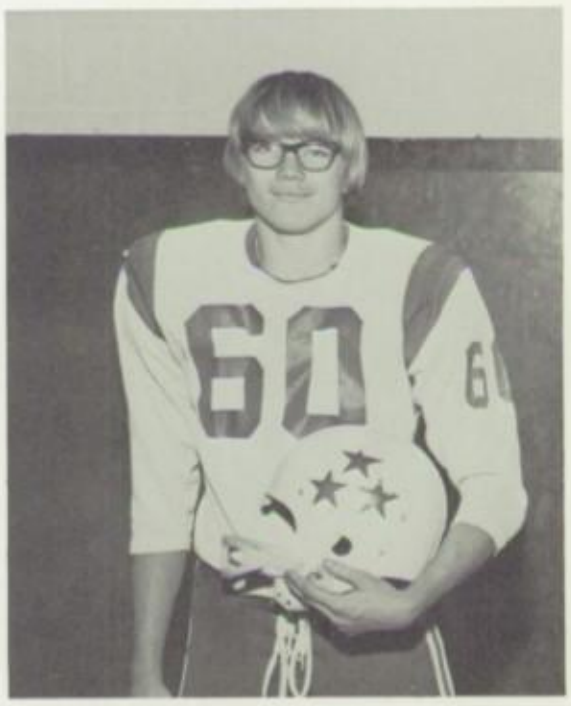
STEVE CHRISTY, Senior, 3 year letterman, 643 points, End.

RON MATTESON, Senior, 3 year letterman, 547 points, Quarterback.



DENNY ELLIOTT, Senior, 3 year letterman, 507 points, Guard.

The stars seen on Mustang helmets were awarded for defensive points earned during the season. Points were awarded for tackles, assists, interceptions, fumble recoveries, passes knocked down, sacking the quarterback, and other defensive plays.



PAUL OTIS, Junior, 367 points, Center.

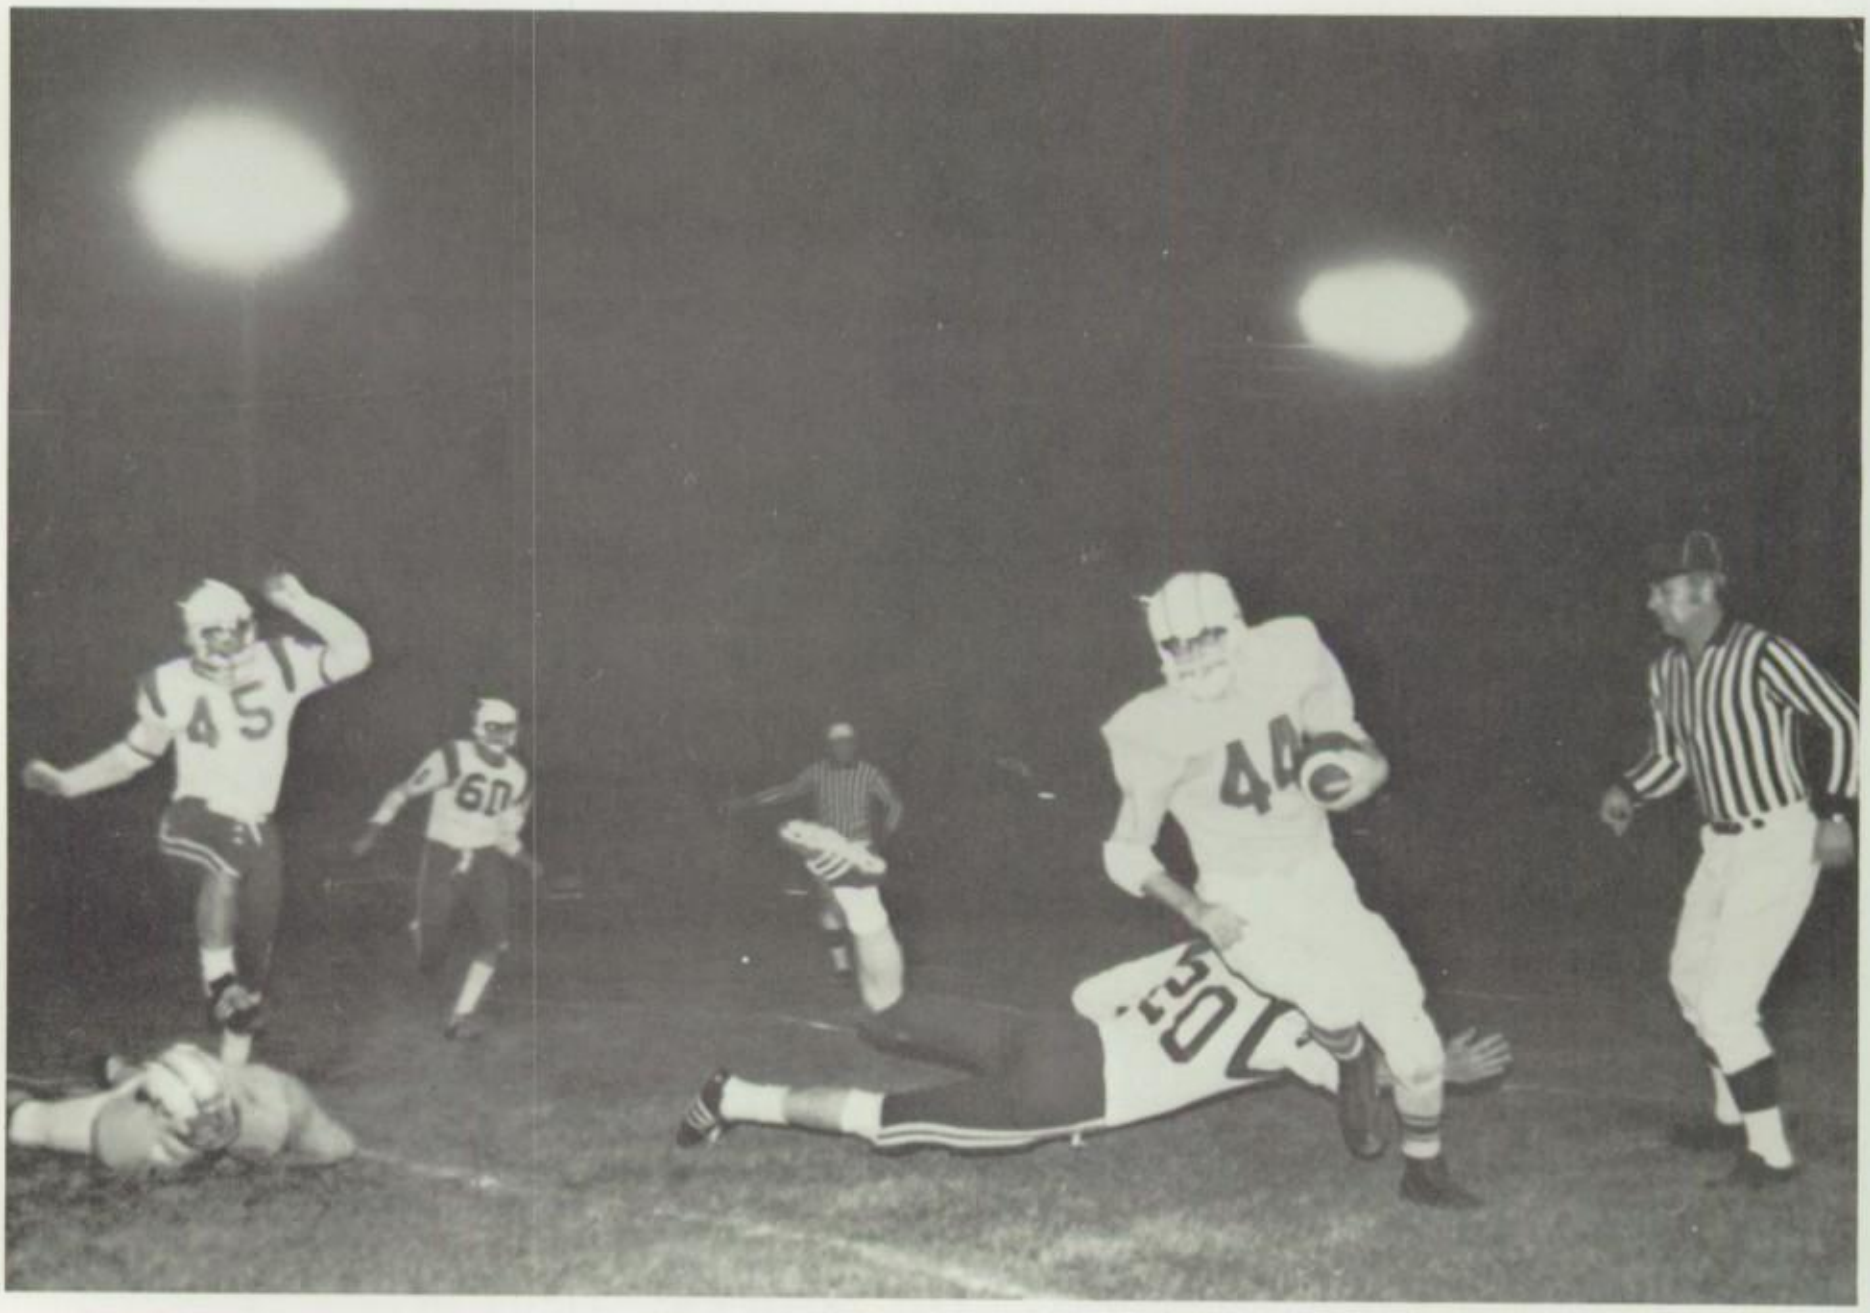
LARRY BUTLER, Junior, 322 points, Guard.

BOB REDINGER, Senior, 1 year letterman, 300 points, halfback.

JOHN SCHMID, Senior, 2 year letterman, 263 points, halfback.

Schmid (15) sweeps for a Mustang touchdown. Schmid was leading rusher for the Mustangs with a fancy 9.1 per carry average and 851 total yards rushing.

Matteson to Christy - six points! For his outstanding play this season, Christy was an Honorable Mention All-State selection.



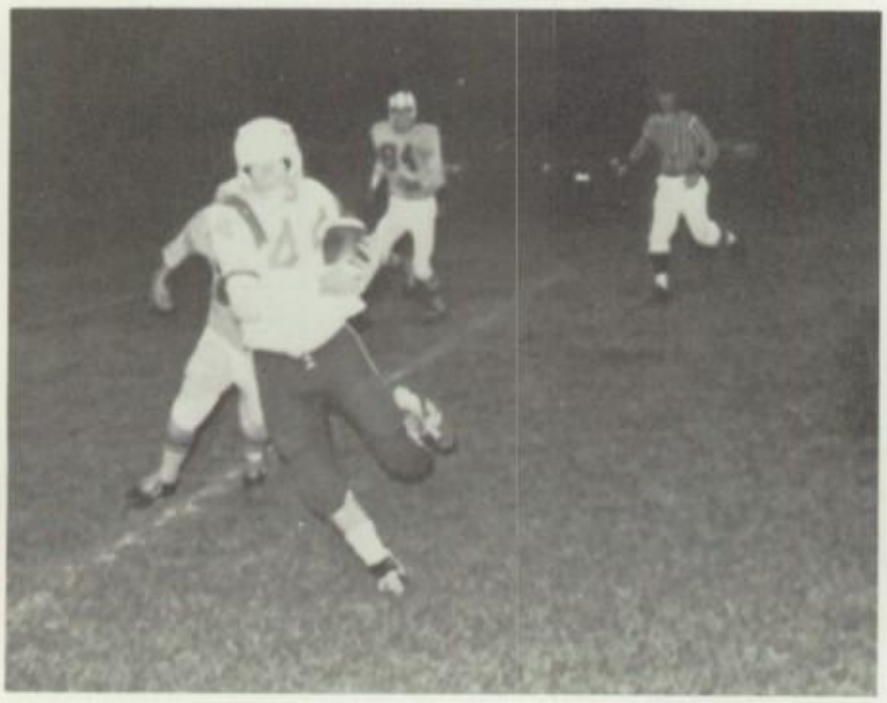
LEFT: Denny (Killer) Elliott (45) stomps a McCracken Mustang, Larry (Basher) Butler (60) comes up to help and Oops! Steve Christy (20) was one of the best tacklers around, most of the time. At far right an alert, efficient official observes.

Halfback Bob Redinger (42) runs for another gain in the season opener against Luray. Other Mustangs pictured are Paul Otis (54), Larry Butler (60), Denny Elliott (45), and John Schmid (15).

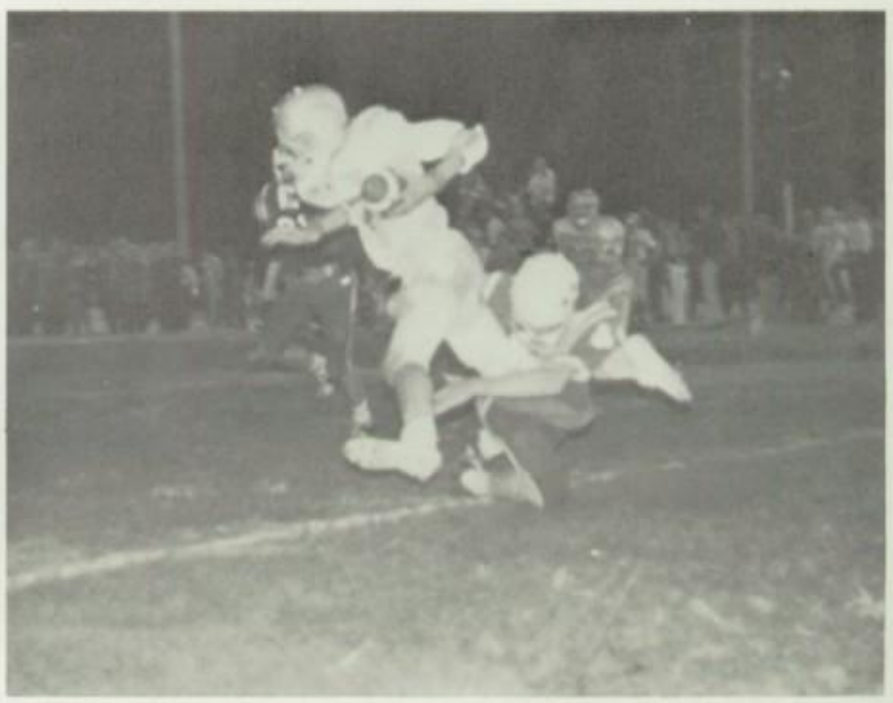
Mustang quarterback, Ron Matteson, gets off a punt at Stamford. In addition to handling the kicking chores for the Mustangs, Matteson proved himself an able leader on the field. Ron passed for 3 touchdowns and a total of 626 yards for the season despite having to switch to guard during the last part of the season because of a broken hand. Ron was elected a co-captain.

Otis (54) fights past a blocker as Christy (20) and Butler (60) attempt to block a punt.

Schmid outruns a McCracken defender for six more.

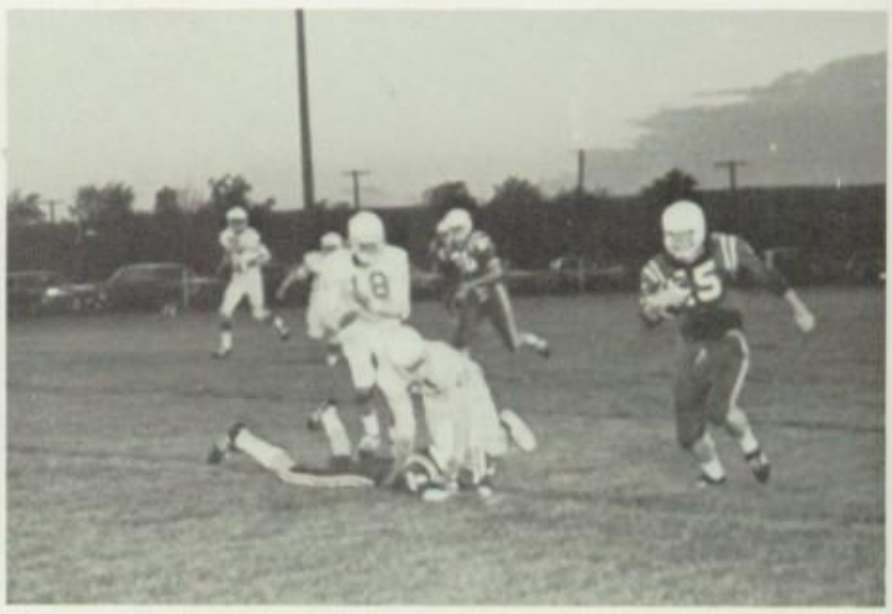


Hoft catches a Matteson pass for another Mustang gain.



Leading defensive player Mike Hoft tackles a Stamford ballcarrier.

Steve Christy makes the play as Otis and Elliott pursue. Christy was elected co-captain and MVP by the squad.



Christy flattens a Lucas player to break Schmid loose.

Jerry Butler makes the tackle against Luray "B" as C. Brady and K. Ross come up to help.

NOT NOW, EVERETT!

Chris Brady catches a pass for a good gain against Luray's B-squad.

Winning, as demonstrated by Bob Redinger, must also be accepted with grace.

Mustangs in Action

Steve Christy (40) puts in two more against Paradise. Christy was elected M.V.P. by a squad vote after the season. John Schmid (50) gets positioned for the rebound as Larry Butler (30) looks on.

Chris Rodgers shoots over a Northern Valley Huskie. Rodgers was elected co-captain by the squad.

Two more for Terry!

Butler puts up a jumper behind a Schmid pick.

Stockham puts up a 15 footer at District.

The varsity makes an appearance at pep rally.

EHGAC

EHGAC stands for Eastern Heights girls athletic club although it is not an organized club. The name was adopted last year for a girls' club however this year the club part of it was dropped but the name was kept to represent girls athletics. The girls had organized teams and competitive competition in volleyball, basketball and track. The girls did not do the best in the sports field but they did not do too bad and got needed experience for following years of athletics. Girls athletics is relatively new at Eastern Heights and we hope it prospers in future years.

Shall we not come as pilgrims to these sanctuaries?
limit, where need exists, our numbers,
that each may find a singing solitude and pass
free as a cloud's shadow?

A Word From the Editor

A high school yearbook is supposed to be a potpourri of the year's highlights.

The '73 edition of "HOOFPRINTS" is not only that, but much more. It reflects upon the good times and bad times of the past year.

Next year we can look at this book and say, "I looked like that?" The seniors can look back at this book as one of their best and most profitable years in print.

Many things make up a school. These include enthusiasm, dedication, loyalty, pride, and sincerity.

At last the end of this book is here. It has been fun, but it has been a lot of work. I would personally like to extend to each person a thank you for buying this book and I hope that in the years to come you may look back at it with much pleasure.

Melanie Stockman

I am not in this world to live up to
your expectations.
And you are not in this world to live up to mine
You are you
And I am I
And if by chance we find each other
It's beautiful!
